Volunteer Form

- Whiteford Agricultural School District appreciates your willingness to serve as a volunteer in our district and become a substantial and vital part of our school programs! You can access the form here or from any school office. Please complete both sides of the form and return it to your student's building office, teacher, or coach. Background checks will be done on an annual basis.

Online Forms and Agreements

- Many "back to school" forms and agreements that were mailed in the past have now been "digitized" and can be accessed through our website or Infinite Campus.
- This process has replaced Registration Day Packets for 6-12th grades and the Emergency Cards for K-12th grades. The REQUIRED ACTION STEPS for each family are outlined in Mr. Huard's letter that was sent to your email.
- Please note that the Infinite Campus Parent Portal access is required in order to complete the online forms/agreements, and that students will not receive Chromebooks until parents/guardians have completed ALL steps for registration.

Chromebook Insurance change

- Students in grades TK-5th never take devices home. We understand accidents will happen within the classroom setting, and unless your child intentionally damages their or someone else's Chromebook, we will cover the cost of repairs or replacements. Intentional damage to devices that result in repairs or replacement will be assessed to the parent/guardian.
- For students in grades 6th-12th, the district has purchased and will require the use of protective cases to avoid accidental damage to the Chromebooks. Protective cases are not designed for extreme abuse or initial slamming, throwing, etc. If damage is deemed intentional or habitual issues occur due to handling, repairs and replacements will be assessed to the parent/guardian.
