FFA Chicken Broiler contest

On Thursday October 23rd, Mr. Gust and Mr. Russell's Ag classes went to the FFA Chicken Broiler Contest. Out of the ten teams Whiteford sent, four of them were 8th grade teams, and two of those teams have a preliminary place of 2nd and 3rd. Team "Chicken Fingers" got 2nd and "6,7 Chicken Wings" earned 3rd. Maya Russeau (30) said, "I think our main advantage was our report because we were only eight points away from a perfect score." The contest took place at Munsell's Poultry Processing. The classes had spent four weeks raising their chickens. Ava Blaisdell (30) said, "I would go during seminar to do the chores and see the chickens." When it was time for the contest the students got to help with picking up their chickens when they were getting ready to be processed and after when they were getting judged. Many of the students thought the process was gross while others thought it was interesting. Jack LaVoy (30) said, "I thought it was cool how fast they were able to go through the whole process."

Whiteford Fall Festival

On October 4th Whiteford Fall Festival was held at Stoneco Park. There were many volunteers from the community and that included the Cousino family. Jacen Cousino (30) said, "My family helped out because we wanted to be active with the community." The festival had a silent auction and a car show that had over 350 cars shown. The festival had 185 different vendors and 16 different food trucks.

The last four year's proceeds were spent on the first phase of the playground that is geared for 6-12 year olds. This year was the 5th Anniversary and all the funds will be used to expand the playground. The second phase will be equipment that is made for 0-5 year old children.

Middle School Volleyball

On October 8, the middle school volleyball team played against Sand Creek. The 7th and 8th grade teams pray before their games. Alexa Gariety (30) said, “We were praying that everybody stayed safe and healthy throughout the game. In the moment I felt happy and safe, I was also excited to play in the game.” Whiteford decided to pray before their games to feel comfortable and know that they will do well with Gods help.

Middle School Football

On September 25, the undefeated middle school football team played Montpelier at home. Lane Smith Emerson (30) and Oliver Kemritz (30) were the team captains in that game. Smith Emerson (30) said, “I was chosen as a team captain because I am a good leader and work as hard as I can.” Whiteford won the game 16 to 8 . Kemritz (30) said, “Winning the game felt great because we never won last year, and we played so much better.”

Miranda Green

Miranda Green is Whiteford’s new Athletic Director. Green said, “It’s great being here because the staff and students are great.” Everyone faces challenges in life. Green said, “One challenge is when you lose to opponents in games.” Staff enjoy different parts of their job. Green said, “I enjoy seeing athletes being successful on the field or in a classroom.” Achieving goals in sports is important to most people. Miranda Green is honored to be supportive to the Whiteford athletic students.
