## IN THE KNOW

*This Month in May*

- The band and choir members had the chance to go to Toronto, Canada, they went on May 2nd and returned on May 4th. Mr. Welling and Mr. Schreiber were in charge of this trip for the band and choir kids along with a travel agent and many more people. Lucas Bub (30) said, "My favorite part of the Toronto trip was looking down at Toronto from the CN tower." Gabe Zink (29) said, "My favorite part about Toronto was seeing the CN tower and going to the Blue Jays baseball game."
- All of the middle school students had the chance to go to the Toledo Mud Hens baseball game on May 21st. The field trip was a reward for the middle schoolers and it was a chance to get out of school for a day to just have fun. For the past few years we have gone on this trip because it is a very fun experience as a kid and even an adult. Geniveve Miller (31) said, "I liked that The Mud Hens won the game."
- It was Teacher appreciation week on the 5th-9th, The Whiteford Parents Association gave all of the students colorful cards to write a note or something you like about your teachers. This week was very important because our teachers deserve to be appreciated. This week was full of teacher activities like a taco bar during lunch, coffee and breakfast, snack baskets, a lunch cookout, and more. The teachers really appreciated this kind gesture from their peers because they do lots of hard work with students and others. Hilary Miller (31) said, "Mrs. Hoppe is my favorite teacher and she deserves a teacher appreciation week because she is a perfect teacher." Oliver Kemritz (30) said, "Mr. Russel is my favorite teacher and he deserves a teacher appreciation week because he is very nice and he is the best." Giavona Crots (29) said, "Mr. Stevens is my favorite teacher and he deserves a teacher appreciation week because he is a fun teacher and he explains things very well."
- Five Bobcats were recently added to the Whiteford family!

## SPORTS

To kick off the middle school baseball teams season the team first played on April 17th against Hudson. The team played well and won 10-6. The team was coached by head coach Jake Ray and assisted by Ryan Carins and Michael Zawacki. The team recently played Sand Creek and won 18-14.

Joel Brooks (30) is a first base man. Brooks said “My biggest inspiration is that my dad said if I hit a home run he will take me to the house of meat so he can grill me a steak.” In addition to home runs Luke Ray (31) wants to hit as one of his goals this year. Ray said, “My biggest goal is to get a home run over the fence to know I can hit over the fence and know I am able.”

Fischer Zawacki (29) said his favorite memory was beating Hudson with the help of their catcher Colton McCormack (29). Zawacki said, “My favorite memory is when we beat Hudson and Colton McCormack, our catcher, helped win the game. Hudson was making a come back and Colton was catching everything that came to him.”

There are nine positions in baseball that play the main role but you can't play them all! Jacob said his favorite is shortstop and Logan Sanjur's is catcher. Saylor said, “My favorite position is shortstop because there are a lot of balls hit there.” Sanjur said, “Catcher because I like being behind the plate and there is a lot of action.”

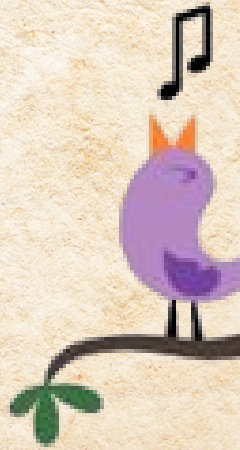

They have had a good season with their record being 2-4. They have played very hard in all of their games and worked hard at practice to help them get better.
